Getting Started

- **Training** - step-by-step video/pdf tutorials on spec management
- **Pack Specs** - submit and manage packaging specifications
- **Parts** – view/make revisions to part specifications
- **Specifications** – view/make revisions to material specs (primary/secondary container, dunnage, closure materials, pallet, etc.)

- 1) Visit the **Training tab** and go through the tutorials posted at the top of this page.
- 2) Visit the **Pack Specs** tab to create and submit the packaging specification details for your parts
- 3) Visit the **Parts tab** to view/make revisions to the Part specs that you created.
- 4) Visit the **Specifications tab** to view/make revisions to Packaging material specifications/BOM.

Questions?

Ask an Admin

- Use the **Question** tab on the home page to send an email directly to the admin regarding general questions
- Add **Details**
- **Attach** related images
- Click **Ask** to submit
